

Childhood Services

The Sunshine Center provides a variety of developmental therapies to families in New Jersey via both direct requests for help and from referrals. Referral sources include schools, preschools, hospitals, insurance providers, physicians, parents, and grandparents. Services include:

Evaluation and Assessment

- Occupational Therapy
- Physical Therapy
- Speech Therapy
- Feeding Therapy
- Behavior Assessments (ABA)

Individual Sessions

- Occupational Therapy
- Speech and Language Therapy
- Feeding Therapy
- Physical Therapy
- ABA Therapy/Behavioral Services
- Daily Living Skills Training
- Counseling
- In School observation / Consultation / IEP Assistance

Group Sessions

- Social Skills Groups (ages 2+)
- Mini Camps

Many of these services are available at our Sunshine Centers or in the home, based on the individual needs of the child and family. In addition, some services may be most appropriate within community settings, which is another option provided by this unique program.

A Day in the Sunshine

The Sunshine Center embraces the goal of increasing every child and family's participation in everyday activities within their home and community settings. By offering services at the center and in the community, the Sunshine Center provides families with options to best meet the needs of their child and family. We will work together as a team to put together a plan that promotes each child's development, to allow the child and family to engage in everyday life together.

Let's help your child. Let's do it together.
