

CAPABILITY STATEMENT

DRIVEN BY PURPOSE. DEFINED BY CARE.

A Division of Specialty Logistics Management LLC

Company Overview

Excellent Transcare (ETC) is a purpose-driven transportation and support services provider based in New Jersey. As a division of Specialty Logistics Management LLC, we proudly serve individuals, families, and organizations with compassion, professionalism, and accountability.

From Non-Emergency Medical Transportation (NEMT) and DDD-approved support services to student transit and private travel, we provide solutions that help people live fully, safely, and independently. Every service we offer is grounded in care—and guided by systems that work.

Mission Statement

At Excellent Transcare, our mission is to provide safe, timely, and compassionate transportation and community-based support services that enhance the independence, dignity, and overall quality of life for individuals and families across New Jersey.

Vision Statement

We aim to become New Jersey's most trusted provider of accessible, person-centered transportation and supportive services—empowering those with special needs, mobility barriers, and medical conditions to live fuller, more connected lives.
