Our overall goal is to help you

Mindwell Behavioral Health is a mental health organization dedicated to improving the quality of life for individuals, couples and families living with a mental health diagnosis

Mission:

To provide quality mental health services that will empower individuals affected by a mental illness to reach their optimal quality of life

Vision:

To become the provider of choice for mental health services

About Us

At Mindwell Behavioral Health we build our services around the client and the community to:

- * reduce isolation;
- * increase positive supports; and
- * improve the quality of life

We work hard to provide the best care and support to each client in making healthy choices, stabilizing symptoms and reaching their full potential

Our Staff are the best in the field. We provide empathetic services, using evidence based treatment to empower clients

Mental Health Outpatient Program

Client treatment plans are individualized and tailored to the specific needs and goals of each client

Our therapists have extensive experience in the following areas

- * Anxiety
- * Relationship & Marriage Therapy
- * Depression
- * Stress
- * ADHD
- * Bipolar Disorder
- * Trauma/PTSD
- * Mood Disorders
- * Personality Disorders
- * Addiction/Substance Abuse
- * Obsessive Compulsive Disorder (OCD)

We accept: Medicaid, Medicare, and most private Insurances, as well as Self Pay on a sliding fee scale
