WAR Ministry Corporation

Loving Others, Serving Others

WAR Ministry Corporation (WAR) is a not for profit organization founded on the Christian principle of loving others through acts of service.

Based in Newark, NJ, we currently serve families in Atlantic, Cape May, Essex, Hudson, Middlesex, Passaic and Union Counties. The mission of our organization is to provide a high quality level of service that can play an essential role in supporting individuals and families in need.

WAR Ministry Corporation aims to inspire hope and encourage those we serve to work towards goals that will exceed expectations for their lives.

WAR Ministry Corporation

Loving Others, Serving Others

WAR Ministry Corporation

Loving Others, Serving Others

WAR Ministry Corporation aims to provide a high level of quality service coupled with compassion for the most vulnerable members of our community.

We also offer bilingual services

WAR Ministry Corporation is an independent 501(c)(3) corporation in the State of New Jersey. WAR Ministry Corporation is an Equal Opportunity Agency. No one is denied care, assistance, or employment on the basis of race, religion, national origin, color, disability, gender, veteran/military status, sexual orientation, ancestry or marital status.

-Individual Support Services (ISS)

Individual Support Services are in-home community based services that transfer skills necessary to achieve and/or maintain increased independence, productivity, enhanced family functioning and inclusion in the community for young people with intellectual and/or developmental disabilities.

-Intensive In-Community Services (IIC)

Intensive In-Community Services are clinical interventions that address emotional and behavioral challenges of youth with moderate to high needs. Services are provided in the youth's home or community location and are intended to stabilize and support the youth and family in an effort to deter more intensive interventions.

-Behavioral Assistance (BA)

Behavioral Assistance involve the application of positive behavioral principles within the community that result in positive behavior changes that improve functioning, enhance the quality of life and strengthen skills in a variety of life domains for children/youths with identified behavior challenges.

-Respite Services

Respite Services are designed to offer families the opportunity for a break from caregiving responsibilities on a temporary or emergency basis for intermittent or short periods of time. Respite also provides a positive experience for the youth receiving care.
