MERCER COUNTY FAMILY SUPPORT ORGANIZATION

Mission Statement:

Mercer County Family Support Organization is a private, non-profit 501(c)3 organization Committed to providing support, education and advocacy to families of children with emotional, behavioral, or mental health challenges.

Mercer County FSO brings compassion and cultural sensitivity to working with families. We are dedicated to ensuring that all families are well-educated and effectively able to navigate systems of service that can be complicated and challenging. We facilitate support with other parents, provide education and training, and offer referrals and information to caregivers.

Our goal is to empower families to utilize the system of care and resources effectively for their children and to improve the quality of family life.

PEER TO PEER SUPPORT & ADVOCACY

As parents of children with challenges; we help families navigate the mental health, juvenile justice, special education, & social service systems.

Our goal is to help families become experts at getting the services and opportunities their children need. We are inspired when families find their voice and begin to successfully navigate the public and private systems that are available to help them.

WARM LINE

Our “warmline” is available 9am-5pm Mon-Fri for parents & guardians and community members who need a friendly, supportive voice to speak with regarding community services and children’s mental health.

PARENT PROFESSIONAL PARTNERSHIP

The Family Advisory Committee gives valuable feedback to our partners and other systems as to how well they are meeting the needs of families.

SPECIAL EDUCATION

Our trained staff is available free of charge to answer questions about your child’s IEP, 504, evaluations, and Special Education Law.

YOUTH PARTNERSHIP

Our Youth Partnership is made up of a group of active young people between the ages of 13-21 who want their voices to be heard as they face emotional, behavioral, and mental health challenges.

SUPPORT GROUPS TRAININGS / WORKSHOPS

We offer support groups and trainings to help families find solutions when they encounter challenges.
